Prayer Matters!

"A family that prays together stays together"

Continue to pray for those in our number who are unwell or have not attend our fellowship for some time.

Do continue to pray for the Billington family. Pray God will help Antony during this transition period. Pray for wisdom and strength while he paces himself with his workload. Continue to pray for Emma, that she settles into this area, home, and church life. Give God thanks for both Jack and Sam in settling well into University life and Secondary Education.

Pray for families, friends and people who are sick or hospitalised having to undergo medical treatment in all its forms. Pray for healing, always remembering healing takes many forms, and support during this difficult time.

Pray for those who suffer

CRIME SCENE - DO NOT ENTER

Pray for our youth and gang culture in UK. Media news reports 'Dozens of people have been fatally stabbed in the capital since the beginning of this year as latest figures show knife crime has soared to seven-year high'.

LONDON BAPTIST ASSOCIATION
CELEBRATING THE LIFE OF THE CHURCHES

LBA NEWS

The induction of four new Regional Ministers took place on Saturday 10th November 2018.

The new regional ministers were as follows:

Revd Lee Johnson (Northern , North Eastern and Eastern Districts)

Revd Carol Bostridge (South East and South East Thames districts)

Revd Winston Bygrave (North West district)

Revd Hany Abdelmasih (Western, Thames Valley, Central Districts)

Revd Phil Barnard, our Regional team leader, will continue to look after East Surrey and South Western districts.

Pray for these ministers that God would direct and give wisdom in their service at regional and local community church levels. Revd Carol Bostridge was a minister at Crofton Park Baptist Church. (Revd Michael Lovejoy's sending Church)

with depression and mental illness. Pray God will meet their needs.

Pray and give thanks for our NHS. May the NHS use their resources wisely in their provision of care for our nation.

Continue to pray for the Brexit talks. Pray for our leaders within government especially during this difficult phase of political negotiations. Pray for agreements that will serve both our national and international needs. Pray any existing commerce and business enterprise be protected. Pray for existing and new relations with other countries.

The implications are so diverse ranging from trade and commerce, immigration, research and development, national security, policing, sharing of information, industry, transport, housing, skills and employment, education, farming, natural resources, energy...etc. Let's bring it all before the Lord and request direction for our leaders and give thanks.

Let us pray for you

Please email your prayer requests to npbc.pray@gmail.com

OPPORTUNITIES TO SERVE

At Spurgeon's College we offer three part-time professional Counselling courses. The courses follow the syllabus of the Central School for Counselling Training and are validated by the Counselling and Psychotherapy Central Awarding Body (CPCAB). Students who successfully complete each course receive a certificated qualification which is widely accepted in both Christian and secular settings.

Whilst the content of CSCT courses is not exclusively faith-based, they are delivered at Spurgeon's College by Christians. This provides a unique opportunity to study professionally recognised secular courses in a Christian environment. Students often find this a stimulating and rewarding experience

The courses are regarded as more than meeting the training component for accreditation with the British Association for Counselling and Psychotherapy (BACP).
