Prayer Matters!

Pray for the missions and people we support, as a church, especially missionary families with children like Rev David and Rev. Michele Mahon and Children Jonathan, Ruth and Phoebe who are with the BMS working in Peru. (Both David and Michele are Baptist Ministers)

Pray for our Mission vision and the realisation of God's will for us at Northolt Park Baptist Church and for our local community. Pray that our church continues to grow in unity and abounds in peace.

Pray for our church leaders that God will continue to bless them with wisdom humility and grace.

Pray for the Brexit talks - we are coming to a difficult and important phase in negotiations. Pray that God will give all our political leaders wisdom, for the best outcome, so everyone benefits.

Continue to pray for all those who are still suffering from the recent hurricanes and rain storms that had caused so much devastation and loss of lives. There are an incredible 100,000+ people displaced in both America and Philippines.

Continue to pray for more teaching and support staff to help with Sunday Club. This is a most important ministry work for the continuity

This week is National Recycling Week. It's always wonderful to recycle, however, even better to reduce and reuse.

The Christian perspective is we are called to be good stewards of the earth. (Gen 1:26-28) Whether we recycle or not is a matter of conscience. Christians who feel it's important to recycle should certainly do so. But as with most social

and environmental concerns, recycling should not divide Christian believers from each other. Care and concern for one another is the priority, however, when this care and concern is extended to our natural environment it's a blessing for all concerned.
