Mission Focus

We have received a newsletter from David and Margie Whitehorn, serving as Area Directors for Africa with WEC International (Worldwide Evangelisation for Christ), who the church has been supporting for many years.

They are based in Sheffield and are also involved with the charity Galeed in reaching out to their local community, especially those from different backgrounds.

The two countries they have highlighted for prayers are Mozambique and Chad, both Muslim countries. Northern Mozambique is currently a dangerous place with ongoing violence by Islamist extremists. Dozens of people were killed there in March/April 2021.

For more details of the people and work in these countries, please read the printed version of their newsletter displayed at the back of the church. Be aware that it contains sensitive information.

Their prayer requests, which will also be shared in Mission Focus at this Sunday's service are:

- for God to bring the violence in Northern Mozambique to an end
- for the preparations of 2 conferences and time with our teams in the countries and help with speaking Portuguese
- working on a programme for new workers
- for God's ongoing opening of doors for the church in Sheffield, and Galeed reaching into the local community and among the Muslim peoples on our doorsteps; that the Truth of Jesus will be revealed and accepted.
