

# Prayer Points and Information

Think of people from our congregation on their 'frontlines' during the week, and pray that God will bless and use them in those places.

Pray for Phil Barnard and the rest of team at the London Baptist Association as they support churches in the London area.

Give thanks for the wonderful blessing older people can be in their relationships with grandchildren and other family members within the church and local community. Pray for elderly and infirm people who live alone and have little contact with family or neighbours. Pray about the increase in cases of Alzheimer's and similar conditions affecting older people. Remember the patients, their carers and family members, doctors, and other professionals and friends seeking to support them.

Think about the housing shortage in the UK and the effect this has on individuals and families. Pray for successful strategies to provide new affordable homes, better rented properties, help for those wanting to buy and suitable accommodation for vulnerable people.

Pray for those who exercise leadership responsibilities with BMS World Mission: (1) for leaders at BMS HQ as they seek God's wisdom regarding the direction of the mission; (2) for David and Dorothy McMillan serving in the theological education of church leaders from across Europe in Amsterdam; (3) for BMS Trustees who hold governance responsibility, that they may be wise and discerning in their meetings throughout the year; (4) for many local Christians serving in leadership roles in countries around the world, for their equipping and sustaining by the Lord.

**15 January 2017**

Our congregation is made up of ordinary people meeting together to worship God. We are united in our faith in, and love for, the Lord Jesus Christ, and hope that you sense the presence and power of the Spirit of God as you worship with us.

Refreshments are served after the service, so please stay for a cup of tea or coffee and a chat.

## THOUGHT FOR THE WEEK

*'To these four young men God gave knowledge and understanding of all kinds of literature and learning. And Daniel could understand visions and dreams of all kinds... The king talked with them, and he found none equal to Daniel, Hananiah, Mishael and Azariah; so they entered the king's service. In every matter of wisdom and understanding about which the king questioned them, he found them en times better than all the magicians and enchanters in his whole kingdom.'*

Daniel 1:17-20
