

Prayer Points and Information

Pray for strength and a good recovery for Margaret Carey, and pray for any others who have been struggling in different ways with poor health

Let's continue to pray for wisdom from God as we try to discern the way forward for us as a church during this period of transition.

A prayer about culture and the arts: 'God of glory and wonder, you have placed a spirit of creativity within every human being; please help us to discover our own gifts and skills. Inspire those with outstanding abilities that contribute richly to our culture – through language, music, dance, drama, art, design and technology. Amen.'

Following our visit from John Ledger last Sunday, let's pray for Mission Aviation Fellowship. Praise God for the bicycles that MAF South Sudan was able to fly in to help a nutrition team do home visits and reach children. Pray for Chris and Debra Klynstra, who serve as a pilot/mechanic family in Indonesia – that God would cause their ministry to flourish for his glory. Pray too for Bill and Jan Kilgore, currently assigned to Moody Aviation in Spokane, WA, where Bill is flight instructing future missionary pilots.

Pray for the work of BMS partners in fragile states who are working to establish clean water, safe birthing, and improved livelihoods in complex and dangerous environments. In particular, let's pray: (1) for the work of a BMS partner in Bangladesh seeking to assist indigenous women and children, and (2) for the work of BMS international mission worker Genesis Acaye who is overseeing agricultural livelihoods development work in Uganda.

17 July 2016

Our congregation is made up of ordinary people meeting together to worship God. We are united in our faith in, and love for, the Lord Jesus Christ, and hope that you sense the presence and power of the Spirit of God as you worship with us.

Refreshments are served after the service, so please stay for a cup of tea or coffee and a chat.

THOUGHT FOR THE WEEK

'We also have the prophetic message as something completely reliable, and you will do well to pay attention to it, as to a light shining in a dark place, until the day dawns and the morning star rises in your hearts. Above all, you must understand that no prophecy of Scripture came about by the prophet's own interpretation of things. For prophecy never had its origin in the human will, but prophets, though human, spoke from God as they were carried along by the Holy Spirit.'
