

Prayer Points and Information

A prayer for hope: Lord God, sometimes this world is hard to understand; even when we trust in you, our hearts can still ache at what we see. We come to you asking for the hope we need – hope that sees past the here-and-now to the then-and-there, hope that believes what we cannot yet glimpse. You are the only one who can sustain us. Be the rescuer of our souls and the holder of our hearts. Give us courage, and surround us with your strength. We put our hope, and our hopes for those we love, in you. Amen.

Pray for those who work in the press, broadcast and online media as news writers, columnists, editors and other roles. Ask God to help them to be discerning, thorough, and fair – especially when working to tight deadlines and under pressure to adopt a certain viewpoint.

Praise God, with David and Margie Whitehorn, for the safe arrival of Harvey to daughter Ruth and husband Mark. Pray for God's blessing on David and Margie, currently in Chad until mid-November, and for changes in leadership that will be taking place in the team there.

India is forecast to be the most populous nation in the world by 2028, and has also emerged as a regional super power. Pray for BMS personnel as they continue to serve amidst many challenges. Pray especially for their children as they adjust to life in India, adapt to new schools and make friends. Pray for BMS' partnership with a recently opened community café in Kolkata city and for the strengthening of existing partnerships. Pray too for Action Teams serving in Delhi and Kolkata – for safety, good communication with their supervisors, and a good learning experience through the many interactions and opportunities they will have.

30 October 2016

Our congregation is made up of ordinary people meeting together to worship God. We are united in our faith in, and love for, the Lord Jesus Christ, and hope that you sense the presence and power of the Spirit of God as you worship with us.

Refreshments are served after the service, so please stay for a cup of tea or coffee and a chat.

THOUGHT FOR THE WEEK

'You ought to live holy and godly lives as you look forward to the day of God and speed its coming. That day will bring about the destruction of the heavens by fire, and the elements will melt in the heat. But in keeping with his promise we are looking forward to a new heaven and a new earth, where righteousness dwells. So then, dear friends, since you are looking forward to this, make every effort to be found spotless, blameless and at peace with him.'
